

Produto: maxGestão

There is no content with the specified labels

Na **visão por vendedor** é possível acompanhar a que filial e supervisor ele está vinculado, informações de quantos clientes agendados e visitados além da coluna de valor de venda, Km trabalhado e rodado e todas as ações realizadas por ele de forma detalhada. As informações para a visualização no Painel de Auditoria dependem do preenchimento do filtro e das permissões de acesso concedidas ao usuário.
